VOORLOPIGE UITGAVE

## VOORWOORD TOT DIE VOORLOPIGE UITGAWE

---

Die gedagte van 'n omvattende Krynauw Familieregister het in 2005 ontstaan terwyl ek besig was om my eie kwartierstaat op te stel. Destyds het ek verskeie bestaande Krynauw familieregisters, waarvan sommige meer as 20 jaar gelede opgestel is, tot my beskikking gehad. Ek het beoog om die bestaande Krynauw familieregisters, wat skynbaar onafhanklik van mekaar opgestel is, saam te voeg in een dokument Terselfdertyd wou ek ook die bestaande inligting kontroleer en uitbrei met nuwe inligting wat sedertdien beskikbaar geword het. Ek wil graag die volle erkenning gee aan die vorige opstellers van die Krynauw familieregister, van wie se bydraes ek gebruik kon gemaak het. Sonder hulle bydraes sou my taak baie moeiliker gewees het.

Hierdie uitgawe word beskou as 'n "Voorlopig Uitgawe" en maak geensins aanspraak op volledigheid nie. In sy huidige formaat beskou ek dit as 'n lewende en dinamiese dokument, waar daar altyd ruimte vir verbetering en uitbreiding sal wees. Die doel van hierdie "Voorlopige Uitgawe" is dus om lede van die Krynauw familie en ander belangstellendes die geleentheid te gee om die bestaande inligting na te gaan en enige foute en onjuisthede, asook ontbrekende inligting uit te wys. Terselfdertyd gaan die navorsing nog steeds aan, en nuwe inligting en bronne word nog steeds ontdek en ontgin. Daarom moet dit nie beskou word as 'n eindproduk nie, maar eerder as iets wat in wording is, en verdere uitgawes van die register word in die toekoms voorsien.

Die nuwe navorsing het bevestig dat die inligting in die vorige registers, hoewel nie noodwendig volledig nie, baie akkuraat was.. Gegewe die relatief onlangse begin van en toegang tot die digitalisering van dokumente en rekords in die argiewe, toegang tot die internet, doelgemaakte sagteware, epos, ens. is baie meer genealogiese inligting toeganklik as wat die geval was twintig jaar gelede. Daarom is die werk van die vorige opstellers soveel meer merkwaardig, want hulle het nie toegang gehad tot die moderne tegnologie nie.

In 2007 het ek lede van die Krynauw Familie en ander belangstellendes uitgenooi dmv van advertensies in koerante en tydskrifte om my te kontak en hulle inligting aan my verstrek. Meer as 110 persone het op die versoek gereageer, waarvoor ek baie dankbaar is.

Inligting van lewende persone is in die "Voorlopige Uitgawe" ingesluit. Sulke inligting is in goeder trou van die bydraers ontvang, en is ook verkry van openbare en publieke bronne. Persone wat enige besware het teen die insluiting van hulle inligting in die Krynauw Familieregister word versoek om die opsteller so spoedig moontlik te kontak. Die inligting sal dan nie in volgende uitgawe(s) van die Krynauw Familieregister ingesluit word nie.

## ***PREFACE TO THE PRELIMINARY EDITION***

---

*The idea of a comprehensive Krynauw Family Register in 2005 started while I was doing my own ancestry chart. At the time I had several existing Krynauw family registers to my disposal, some of which were prepared more than 20 years ago. My plan was to compile these registers, apparently done independently of each other, into one document. At the same time I planned to verify the existing data and expand it with new information that became available since. I would like to acknowledge the authors of the previous Krynauw family registers, whose contributions I have used. Without their contribution my task would have been much more difficult.*

*This edition is considered a "Preliminary Edition" and making no claim as being complete. In its present form I consider it as a living and dynamic document, where there will always be room for improvement and expansion. The purpose of this "Preliminary Edition" is to allow the members of the Krynauw family and other interested parties the opportunity to verify the existing information, and to point out any errors or inaccuracies and missing information. At the same time, the research will continue, and new information and sources are still being discovered and utilized. Therefore it should not be considered as an end product, but rather as something that a work in progress, and future editions of the register is foreseen.*

*The new research has confirmed that the information in the previous registers, although not necessarily complete, was accurate. Given the relatively recent start and availability of the digitization of documents and records in the archives, internet access, customized software, email, etc., much more genealogical information is accessible as was the case twenty years ago. Therefore, the work of previous authors is so more remarkable, as they did not have access to the modern technology.*

*In 2007 I invited members of the Krynauw family and other interested parties through advertisements in newspapers and magazines to contact me and provide their family information to me. More than 110 people have responded to the request, for which I am very grateful.*

*Information of living persons is included in the "Preliminary Edition" included. This information was received in good faith from the persons who contributed, and was also obtained from public and unrestricted sources. Persons who have any objections against the inclusion of their information in the Krynauw Family Register is requested to contact the author soonest. Their information will be excluded from future edition(s) of the Krynauw Family Register.*

## **1 INLEIDING**

---

Soos genoem, word die “Voorlopige Uitgawe” van die Krynauw Familieregister onder lede van die Krynauw familie en ander belangstellendes versprei, uitsluitlik met die doel om die bestaande inligting na te gaan en enige foute en onjuisthede, asook ontbrekende inligting so spoedig moontlik uit te wys. Die opsteller sal enige terugvoer op hierdie “Voorlopige Uitgawe” baie verwelkom.

Die projek is geensins voltooi nie, en die navorsing gaan terselfertyd nog voort, want nuwe inligting en bronne word nog steeds ontdek en ontgin.

Die gedagte is om die verwagte terugvoer, asook die resultate van die verdere navorsing in verdere uitgawe(s) van die Krynauw Familieregister op te neem.

Die voertaal in die “Voorlopige Uitgawe” van die Krynauw Familieregister is Afrikaans. Engelstalige uitgawes word ook in die toekoms voorsien.

In die opstel van die dokument is daar is gepoog om sensitiviteit aan die dag te lê, maar daar was geen doelbewuste pogings om bestaande feite te “suiwer” nie.

## **2 GESKIEDENIS VAN DIE KRYNAUW REGISTER**

---

Die volgende bestaande uitgawes van Krynauw Familieregisters, soos opgestel deur ander is gebruik in die opstel van die “Voorlopige Uitgawe” van die Krynauw Familieregister:

- In die 1980's het Danie Krynauw (b2c4d4e2f4g3h2) van Bellville 'n Krynauw familie-register opgestel wat die hele Krynauw-familie gedek het. Hy het baie moeite gedoen om Krynauws in Suid-Afrika te kontak om inligting in te win. Hy het dié register met behulp van 'n tikmasjien opgestel en het dit so versprei. Dit was 'n reuse- en lofwaardige taak wat hy verig het. Dank aan Sheila Bass van Texas in die VSA en Danie Krynauw (b2c6d2e2f1g3) van Somerset Wes wat goedgunstelik afskrifte van die register voorsien het.
- In omtrent dieselfde tydperk, maar skynbaar onafhanklik van Danie Krynauw, het Dawid Krynauw (b2c4d4e1f6g12) van die Strand ook 'n Krynauw Familieregister opgestel. Hy het egter meer gekonsentreer op sy direkte familie en die b2 Daniel tak, ofskoon daar ook verwysings was na die b4 Christiaan tak. Sy register het ook baie bykomende inligting oor die tak van die Krynauws bevat. Hy het in 1995 persoonlik 'n afskrif van sy register aan die opsteller gegee.

- In die 1990's het Gert Krynauw (b4c4d4e3f8g1) van Pretoria die inligting in die Krynauw familieregister van Danie Krynauw op 'n woordverwerker geplaas. Hy het ook heelwat verbeteringe en byvoegings aangebring en in 2007 'n afskrif aan die opsteller verskaf.
- Piet Krijnauw (b2c4d4e1f6g7h2) van Florida het die register soos opgestel deur Gert Krynauw (b4c4d4e3f8g1) verder verwerk en het ook in 2005 'n afskrif aan die opsteller verskaf. Hy het ook voor 2005 verdere navorsing gedoen oor 'n moontlike afkoms en familie van die stamvader Daniel Krynauw in Grabo, Mecklenburg.
- Danie Krynauw (b2c4d4e4f7g3h1i2) van Worcester het ook 'n geraamde afskrif van 'n Krynauw familieregister in sy besit gehad, en het in 2011 ook 'n gedeeltelike afskrif aan die opsteller verskaf.

Danksy GISA<sup>1</sup> in Stellenbosch, het die opsteller ook toegang gehad tot die volgende bronne:

- Die Krynauw Register, soos vervat in Deel 4 van die Suid-Afrikaanse Geslagsregisters, opgestel deur J.A. Heese en geredigeer deur R.T.J. Lombard, oorspronklik uitgegee deur die Raad vir Geesteswetenskaplike Navorsing te Pretoria in 1986, en herdruk deur GISA<sup>2</sup> in 2001.
- 'n Handgeskrewe register van die nageslag van Johannes Hendrik (Jan) Krynauw (b4c4d4) en Margaretha Wilhelmina Redelinghuis, opgestel deur sy kleinseun H.E. Krynauw (b4c4d4e5f4) van Muckleneuk, Pretoria
- 'n Handgeskrewe Krynauw register, opsteller onbekend.

### **3 OMVANG VAN DIE NUWE NAVORSING**

Al die bestaande inligting soos vervat in die bestaande Krynauw registers, soos goedgegunstelik ontvang, is in 'n genealogiese databasis ingevoer. Die formaat maak dit baie maklik om verandering aan te bring mbv genealogiese sagteware en nuwe data met bronverwysings by te voeg.

Terselfertyd is daar ook gepoog om d.m.v. primere en ander bronne die juistheid van die inligting in die vorige Krynauw registers te bevestig en die Krynauw Familieregister verder uit te brei. Om dit te bereik, is die volgende gedoen:

- Alle Krynauws en belangstellendes is in 2007 dmv advertensies in koerante en tydskrifte uitgenooi om die opsteller per epos of gewone pos te kontak en hulle inligting aan hom te stuur. Ongeveer 110 persone

<sup>1</sup> Genealogiese Instituut van Suid-Afrika

<sup>2</sup> Genealogiese Instituut van Suid-Afrika

het hierop gereageer, die opsteller gekontak en inligting verskaf. Die belangrikheid van die inligting so ontvang kan nie genoeg beklemtoon word nie, en was van groot waarde vir die opsteller. Die name van die persone wat bydraes gelewer het word later genoem.

- Afskrifte van alle beskikbare Krynauw dokumentasie in die Suid Afrikaanse Argiewe asook oorsese argiewe<sup>3</sup> is aangevra. Dit sluit in sterftেকennisse, likwidasië- en distribusie-rekening, inventarisse, testamente, kontrakte, korrespondensie, kieserslyste, soldystate, ens.
- Alle beskikbare doop-, huwelik- en sterftesregisters by GISA<sup>4</sup> en die LDS<sup>5</sup> is geraadpleeg.
- Familieregisters van ander families, wat huwelike met Krynauws of Krynauw afstammelinge gesluit het is geraadpleeg.
- Publikasies van genealogiese organisasies is geraadpleeg.
- Leidrade omtrent Krynauws en hulle doen-en-late is op die internet nagevors. Dit sluit in genealogiese webwerwe, sosiale media, telefoongidse, eiendomsdatabasisse, en dies meer.

Die afskrifte van dokumentasie verkry is omgeskep in elektroniese dokumente en bestaan meer as 15,000 items, met 'n grootte van meer as 20GB.

'n Bronnelys word later genoem.

#### **4 VERGELYKING VAN NUWE NAVORSING MET VORIGE INLIGTING**

Nuwe feite en inligting omtrent die Krynauw Familie is in die proses ontdek, wat meer volledig in volgende uitgawes van die Krynauw Familieregister gedek sal word. Enkele voorbeelde word hieronder genoem:

- Daar bestaan nog steeds onduidelikheid oor die plek van afkoms van die stamvader, slegs aangedui as "Grabo" in die ou VOIC rekords. Meer as 20 plekke met die naam "Grabo" is al in wat vandag bekend staan as Duitsland en Pole geïdentifiseer. Die rekords van die Lutherse Evangeliese Kerk in Grabo, Mecklenburg, is wel geraadpleeg en moontlike verwysings na die stamvader is gevind. Die rekords van die ander plekke sal egter ook geraadpleeg moet word om dit te bevestig. Ongelukkig is baie van die ou rekords in die talle oorloë in Europa sedert die sewentiende eeu vernietig en daar is die moontlikheid dat die presiese plek van afkoms van die stamvader nooit bepaal sal kan word nie.

<sup>3</sup> Nasionaal Archief, Den Haag, Nederland

<sup>4</sup> Genealogiese Instituut van Suid-Afrika

<sup>5</sup> Argiewe van "The Church of Jesus Christ of Latter-day Saints"

- Die stamvader Daniel Krynauw het in 1707 hom permanent aan die Kaap gevestig, aanvanklik in diens van die VOIC, en het in 1711 'n vryburger geword. Hy was egter tussen 1696 en 1704 ook in diens van die VOIC te Batavië. Hy het op sy heenreis (in 1696) en terugreis (1704) by die Kaap van Goeie Hoop aangedoen, en was dus waarskynlik bekend met die plaaslike omstandighede, voordat hy hom in 1707 permanent aan die suidpunt van Afrika gevestig het.
- Daar was nog 'n persoon met dieselfde naam, van en plek van afkoms as die stamvader Daniel Krynauw, wat in 1730 te Batavië oorlede is.
- Volgens die opgawes en eiendomstransaksies blyk dit dat die stamvader Daniel Krynauw hom nie in die Drakenstein gevestig nie nadat hy in 1711 'n vryburger geword het nie, soos voorheen algemeen aanvaar is nie. Aanduidings is dat hy in die Kaap gewoon en gewerk het as saalmaker, terwyl sommige bronne noem dat hy ook 'n herberg bedryf het. Hy het in 1719 in die Kaap in die huwelik getree, en al sy kinders is in die Kaapse kerk gedoop.
- Die oudste en jongste seuns van die stamvader (b2 Daniel en b5 Johannes) het ook in die 1750's eiendom in die Kaap besit.
- b2 Daniel Krynauw het sy eerste huwelik in die Kaap aangegaan en al sy kinders uit sy eerste huwelik is in die Kaapse kerk gedoop. Hy het hom eers in die Drakenstein gevestig na sy tweede huwelik in 1769 met 'n weduwee wat eiendom naby die huidige Simondium gehad het. Sy kinders uit die tweede huwelik is almal in die Drakenstein gedoop, en hy en sy tweede eggenote is ook daar oorlede.
- b4 Christiaan Krynauw, die ander seun van die stamvader het 'n fisiese liggaamsgebrek gehad, en agv daarvan was sy erfporisie uit die boedel van die stamvader amper dubbel wat sy 2 broers en oorlewende suster geërf het.
- Ten spyte van sy liggaamsgebrek, het b4 Christiaan Krynauw aanvanklik 'n leningsplaas gehad naby die huidige dorp Grabouw, voordat hy later in 1760 onderwyser en voorleser in Stellenbosch geword het.
- J.T. Krynauw (waarskynlik (b4c4d8e4f1g1)) was 'n lid van die eerste Noord Transvaalse rugbyspan in 1938. Een van sy spanmaats was Danie Craven.
- Jack Krynauw was 'n beroepsbokser wat tussen 1946 en 1953 aan 24 beroepsgevegte deelgeneem het. Sy presiese skakeling met die Krynauw familie is op die stadium onbekend.
- Die grootste verskil met die vorige Krynauw registers is gevind in die Caledon tak, by name die afstammelinge van Abraham Johan Christoffel KRYNAUW (b2c4d4e2) en Daniël Eliza KRYNAUW (b2c4d4e4). Die nuwe inligting is baseer op die oorspronklike doopregisters, wat nie altyd voorheen toeganklik was nie.

- In die register van Danie Krynauw (b2c4d4e2f4g3h2) noem hy dat die dorp Vrede op die plaas Krynauwslust<sup>6</sup> aangelê is wat vroeër aan 'n J.H. Krynauw behoort het. Hy het na bewering verongeluk onder 'n wa met osse, waarna sy weduwee die plaas verkoop aan 'n Dreyer en toe verhuis het na die Kaap Kolonie. Ten tye van die opstel van sy register kon Danie Krynauw nie dié J.H. Krynauw in sy register plaas nie.

Bg. gebeure word bevestig in die boek “Die Geskiedenis van Vrede 1879 – 1979”, opgestel deur Philippus Rudolph Botha tydens die eeufees van Vrede. Die boek vermeld ook dat dié J.H. Krynauw die plaas in 1863 gekoop het en na sy dood die plaas aan ene T. Dreyer verkoop het, wat dit op sy beurt weer in 1867 aan ene J Orpen verkoop het. Derhalwe kan aanvaar word dat dié J.H. Krynauw in of net na 1863 oorlede is.

Die restant van die plaas Krynauwslust bestaan vandag nog. Ongelukkig kon die opsteller nie enige gegewens omtrent dié J.H. Krynauw of die oorspronklike plaas Krynauwslust vind in die argiewe nie, die kantoor van die Landmeter Generaal of die Atekantoor nie. Dus bevestig die navorsing gedoen deur die opsteller die gevolgtrekking van Danie Krynauw (b2c4d4e2f4g3h2) dat dié J.H. Krynauw op die stadium nie in die Krynauw register geplaas kan word nie. Enige inligting wat van hulp sal wees om die saak op te los sal baie verwelkom word.

## **5 WAT BEOOG WORD IN VOLGENDE UITGAWES**

Soos bo genoem, word verdere bygewerkte uitgawes van die Krynauw Familieregister beoog. Afsien van enige veranderinge of toevoegings tot die inligting vervat in die “Voorlopig Uitgawe”, word die volgende toevoegings vir volgende uitgawes van die Krynauw Familieregister beoog:

- Die herkoms van die stamvader Daniel Krynauw en die stammoeder Johanna Jordaan
- Geskiedenis van die eerste vier geslagte van die Krynauw familie
- Meer omtrent die verskillende takke van die Krynauw familie, vb. die Swartland, Caledon, Kaapstad, Vrystaat en Beaufort Wes takke
- Belangrike Krynauw dokumente
- Statistieke en feite
- Stories en staaltjies
- Foto's
- Besikbaargestelling van die Krynauw Familieregister in Engels.
- Opstel van 'n webwerf met al die inligting

Enige inligting wat betrekking het op die bogenoemde items sal baie verwelkom word.

<sup>6</sup> Die plaas moet nie verwar word met die plaas Krynauwrust in distrik Ladybrand nie.

## 6 RIGLYNE EN VERDUIDELIKINGS

---

### 6.1 Omvang van die Register

---

Die Krynauw Familieregister is beperk tot die volgende persone:

- Alle persone gebore as Krynauws
- Die eggenoot/eggenotes van Krynauws, asook die name van hulle ouers, waar bekend.
- Die kinders van Krynauw dames, asook die name van hulle eggenoot/eggenotes, waar bekend, asook die name van dié se ouers, waar bekend.

### 6.2 Formaat

---

Die De Villiers-Pama notasie is gebruik vir die ordening van die persone in die Krynauw Familieregister.

### 6.3 Ongeplaasde Persone

---

Aan die einde van die geslagregisters is daar ook 'n aantal Krynauws en familie geplaas onder die hoof, "Ongeplaasde Persone." Dit is Krynauw individue, eggnotes of gesinne van wat weens onvoldoende gegewens nie binne sy/haar stamlyn gekoppel kon word nie.

### 6.4 Spelling van name

---

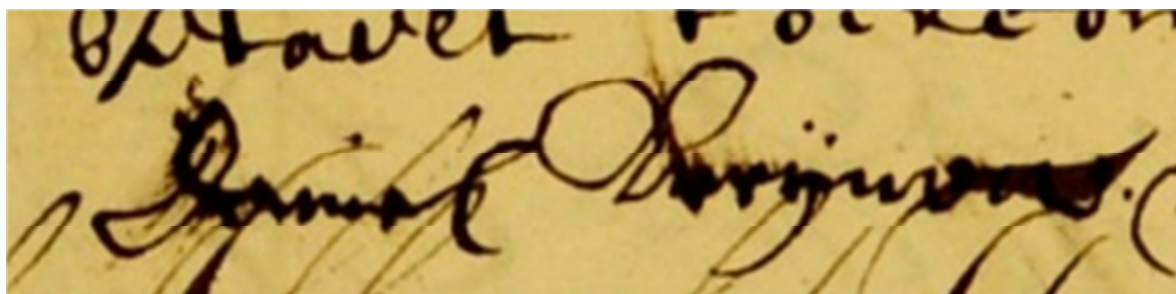

Daar is probeer om sover moontlik te hou by die oorspronklike spelling van name, soos dit aangeteken is in die doopregisters. Waar 'n ander spelling teegekom is, bv in 'n sterfteskennis, is die spelling soos dit voorkom in die doopregisters gebruik.

### 6.5 Spelling van vanne

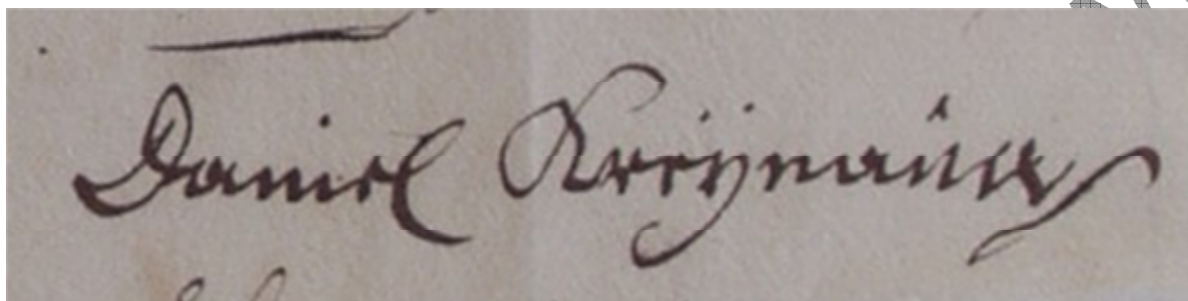

---

In die register is alle vanne deurgaans in HOOFLETTERS aangedui, sodat dit maklik uitkenbaar is. Sover moontlik is is daar gehou by die algemeen-aanvaarde standaard spelling van vanne, soos dit in Suid-Afrika voorkom. Aanvaarde variasies op die spelling van vanne is egter behou, bv NELL en NEL.

Vandag word die van "KRYNAUW" meestal as sulks gespel. Enkele persone verkies die spelling "KRIJNAUW". Daar is 2 voorbeelde van die stamvader Daniel Krynauw se handtekening, een in 1704 op 'n VOIC dokument en nog een op sy testament in 1724. In beide gevalle teken hy sy van as "KRIJNAUW" Dus blyk dit dat die lg. spelvorm meer histories korrek is.

Handtekening van Daniel Krynauw in die soldyboek in 1704 na sy ontslag uit die diens van die VOIC

Handtekening van Daniel Krynauw op sy testament opgestel aan die Kaap in 1724

Baie variasies van die spelling van die van KRYNAUW kom egter voor in ou dokumente. Die volgende variasies is teekom:

|             |           |           |
|-------------|-----------|-----------|
| Crainouw    | Kreijnau  | Krynou    |
| Creijnouw   | Kreijnou  | Krynouw   |
| Crijnauw    | Kreijnouw | Krijno    |
| Crijnogh    | Kreinou   | Krijnou   |
| Crijnoogh   | Krenouw   | Krijnouw  |
| Crijnouw    | Kreunouw  | Kruijnau  |

## 6.6 Datums

Ten einde verwarring te voorkom, is die datumvorm van dd MMM yyyy gebruik, dws 11 Des 1856, en nie 11-12-1856 nie Internasionaal word verskeie ander datumformate gebruik; byvoorbeeld 11-12-1856 word in Noord Amerika vertolk as 12 Nov 1856.

Weereens word die geboortedatums in die doopregisters gebruik, indien dit sou verskil van datums soos genoem in die sterftেকennis, boedeldokumente, ens.

## 6.7 Plekname

Daar is gepoog om die oorspronklike name van plase, dorpe en gebiede, soos dit aangeteken is in sterftেকennisse, geboorteregisters en ander dokumente, te gebruik. Name soos Kaapkolonie, Transvaal, Oranje Vrystaat; Rhodesië, Suidwes-Afrika, Bataivië, ens. kom dus voor.
